

Quantification, Benchmarking and Stewardship of Veterinary Antimicrobial Usage

3rd International Conference

1-2 July 2021, Hannover, Germany

Short instruction for abstract template completion

- **Maximum length** for submission is one A4 page (210 x 297 mm). **No exception will be accepted.**
- **Margins** to be set at 2.5 cm for top, left and right, 2 cm for bottom.
- Abstract should be written in **Times New Roman, 11.**
- **Title** in Times New Roman, 14, bold.
- Authors with affiliations in superscript.
- **Presenting author in bold.**
- **Maximum length of body text** (ie excluding title, authors and affiliations) is set at 400 words. However, maximum length for complete submission may not exceed 1 A4 page.
- Abstract may include subtitles as well as (readable) figures or tables as long as maximum length of one A4 page and margins are respected.
- Abstracts may include Figures and/or tables as long as the length of the abstract of one page is not exceeded.
- Abstract to be submitted in **.pdf format**
